Antologi Rasa Gramedia Pustaka Utama 344 pages 1.5 Homophobic, pretentious, and pompous, Antologi Rasa renders the worst qualities you've often encountered in Ika Natassa's books. The whole situation with most of Ika Natassa's books--Antologi Rasa specifically--is like Potemkin village. Its gorgeous book cover is designed to deceive the readers to believe that its content is worth more to read than it really is.

*In Antologi Rasa, the voice-over feels a little patronizing and, at some time, lazy; most of the time, the device is used to bypass all the emotional build-up and move forward to the next plot-points. There's complexity in the love triangle that makes it an interesting take of modern day relationship (among yuppies especially), but the movie keeps bypassing the complexity for the sake of moving forward with the next moment in the narrative.*
