My Demon's Name is Ed is a story - rather, with a diary-like format - about Danah's, the author, struggles with her eating disorder, of how she dealt with it, of how it utterly consumed her, and how much change it brought to the people around her.

My Demon's Name Is Ed by Danah Khalil - Goodreads

I know from my own personal experience with an eating disorder, my mother went through a lot with me. I went through very similar experiences with my eating disorder where I would cry, throw tantrums, felt like I was betraying my eating disorder, and finding comfort in my

eating disorder behaviors.

Eating Disorder Demons

I sometimes think about this, like mental illness is a demon that has attached itself to you and is poisoning your thoughts. I don't think it's about strength or weakness that determines whether you would get rid of the demon though. I don't really think I'd say the eating disorder is the demon though.
