Hello all, so in order to start spraying roundup for customers I have to take the Core, Pesticide Laws, and Ornamental and turf exams. Quite frankly I think there should be a separate class for JUST spraying roundup on weeds but that's another issue. ... North Carolina. Messages: 67.

NC Pesticide License question? | LawnSite

Bermudagrass as a Weed Cultural Control. Most turfgrasses are difficult to control within another turfgrass. Therefore, turf managers should select clean seed or vegetative sources for establishment, use an adapted turfgrass species and cultivar for their location, and use proper mowing and fertilization techniques to maintain a dense, actively growing, desired turf.
